The Story of Tweenia

*One night while I lay in my bed
Another dream swirled through my head
I wish the world would truly see
A special dream God gave to me
And not just me, but you and YOU
We all have dreams that can come true
And so this doll is created to mean
Never give up, just follow your dream
She's soft and cuddly and oh so sweet
Her fragrance is my added treat
This time the dream was different you see
Because I had the dream,
and the dream came to be*
